## **AL AMANA PARENT COUNCIL**

### **Welocme to the Parent Council Section of our website**

**At Al Amana Parent Council is in place to support the communication and interaction between parents/students and the school.**

At Al Amana, parental involvement is welcomed and recognized as being essential in developing a strong partnership between parents and the school.

- We strongly believe that Parents make an enormous difference to their child’s chances of success in school, at home and in their later life. Working in partnership with your child’s school can help them to succeed.
- Research has shown that children do better if their parents are involved in their education. Whatever that sphere of involvement may be it is greatly appreciated and encouraged.
- **The school will be the key contact for the Parent Council and it will be important to work together in orders to support each other.**
- The School Counselor will be the coordinator for the Parent Council. It will be important to work together in order to support each other.

# Objectives of the Parent Council

- ❖ Contribute to the affirmation and consolidation of Islamic values and positive behaviors and enhancing the identity of the students.
- ❖ Creating an appropriate educational climate to strengthen the relationship between the parents and school community, leading to greater cooperation between the two
- ❖ Enhancing the involvement of parents in the educational process and raising their views and suggestions to the competent authorities.
- ❖ Supporting the efforts of schools and educational institutions and innovation as a radiation center that contribute to develop the environment and local community.
- ❖ Coordinating and cooperating with the community institutions of the area to support the educational process and provide the necessary requirements for its success and work to improve its level.

## The Parent Council is tasked to:

- ❖ Work in partnership with the school to create a welcoming school community.
- ❖ Encourage links between the school and it's pupils, parents/carers and the wider community.
- ❖ Develop and engage in activities which support the education and welfare of the pupils.
- ❖ Report actions taken to the Parent Council.
- ❖ Encourage participation of all parents/carers and pupils in Community work for the enhancements of the school and the community.
- ❖ Deal with issues that have a bearing on the school, or potential bearing, upon the whole school. Concerns or queries about children as individuals should be addressed to the relevant member of school staff.

## Recent involvement/achievements:

- ❖ Encouraging the development of better communication links between the school and parents/carers.
- ❖ Raising the profile of the Parent Council.
- ❖ Holding and supporting Community events and initiatives.
- ❖ An ongoing subcommittee working on building strong relationships between the school and the community.
- ❖ An ongoing subcommittee working with the school on careers advice for pupils.

We are always looking for ways to build on these achievements.
